Legalize 'Em

Published on Thu, Jan 07, 2010

The Center for American Progress and the Immigration Policy Center released a report today quantifying the potential economic benefits of comprehensive immigration reform. Legalize unauthorized workers, the study concludes, and the American GDP would grow by an additional \$1.5 trillion over the next 10 years (kick them all out — never mind the cost of deportation — and we'd lose \$2.6 trillion in the process).
