

Legalizing undocumented immigrants would boost economy

Published on Mon, Apr 19, 2010

A new study published by the Center for American Progress and the Immigration Policy Center demonstrates that the legalization of the 11 to 12 million undocumented immigrants in the United States could raise the Gross Domestic Product (GDP) of this country by \$1.5 trillion over 10 years, and bring other benefits to U.S. workers and the nation's economy.
