

What Does Your State's Immigrant, Latino and Asian Population Look Like?

Immigration Policy Center Updates 50 State Fact Sheets and Infographics

Released on Thu, Jan 12, 2012

Washington D.C. - Today, the Immigration Policy Center is pleased to re-release our [50 state fact sheets](#) [1] updated with the most current government and academic data available. In addition to the fact sheets, we have added 50 state infographics which highlight the top data points of each state in a graphic format.

The fact sheets and infographics are a synthesis of current government and academic data which highlight the growing economic and political power of immigrants, Latinos, and Asians in each of the 50 states. These materials are free for download, printing and distribution, and can be shared via social media or on your website.
