

## **The New Kids: Big Dreams and Brave Journeys at a High School for Immigrant Teens**

**Author: Brooke Hauser**

[5]

The New Kids is specifically set in Brooklyn, New York at the International School at Prospect Heights. Yet, the reader travels around the world through Hauser's retelling of certain students' lives. The students at Prospect Heights are as different as day and night, but they all have something in common: they're recent immigrants to the US who couldn't receive an education anywhere else. This book explores the hardships of a select few of these students' lives and gives the reader a more comprehensive understanding about immigration. This book allows the reader to understand the horrid and repressive conditions that people face in some countries. Hauser shows the reader what people do to obtain freedom.
