

Meet the immigrant Olympians

Published on Mon, Jul 30, 2012

IPC's Immigration Impact blog was referred to by Southern California Public Radio's Leslie Berestein Rojas in her own blog about immigration and cultural fusion in Southern California. The article gives tribute to the diverse US athletes participating in this year's exciting Olympic Games:

Did you know that more than three dozen members of Team USA competing in the Olympic games in London are naturalized U.S. citizens?

There's a list of them on [ImmigrationImpact](#) [1], the blog of the American Immigration Council, an immigrant advocacy organization. The 38 athletes were born in countries ranging from Mexico and Cuba to Kenya and Germany.
