Gifts of Stock

Donating stock to the American Immigration Council is a great alternative to cash. Instead of selling it and letting Uncle Sam enjoy the benefits of the gain, donate the stock to the Council and enjoy the tax savings of the charitable donation yourself

When donating appreciated stock to a charitable organization like the American Immigration Council you do not have to recognize the gain. It's a win-win situation: you are able to make a charitable contribution toward the Council's mission and avoid tax on the appreciation in value of the stock.

If you would like to make a donation of securities to the Council, please follow the instructions below
