

Council Announces Winners of the "Change in Motion" Multimedia Contest

Published on Fri, Feb 01, 2013

The American Immigration Council is pleased to announce the winners of the inaugural 2012 "Change in Motion" Multimedia Contest. The competition challenges young adults to explore the role that immigration plays in their lives and communities. The program allows young filmmakers and artists to create projects which focus on celebrating America as a nation of immigrants and explore the impact immigration has on our everyday lives. The contest is sponsored, in part, by the American Immigration Lawyers Association.
