

## Combined Federal Campaign

Submitted by Anonymous on Wed, Sep 25, 2013

**The American Immigration Council is happy to announce that we have received Combined Federal Campaign designation!**

The [Combined Federal Campaign](#) [1] *Approved Charity* is THE largest workplace giving program. During the solicitation period beginning October and lasting until December, US Government Federal workers are able to designate the Council to receive donations via their payroll. Cash and check donations are also accepted during this period.

**If you are a federal worker, please support us through your payroll by designating the American Immigration Council, #30363.**

[Find your local CFC regional website to contribute today!](#) [2]

If you are a keyworker and you'd like our materials to display in your office or if you would like to have us speak at your charity event, contact Claudia Ornelas at [COornelas@immcouncil.org](mailto:COornelas@immcouncil.org) [3].
