

## Appreciating America's Heritage: 2009 Edition

The American Immigration Council (formerly the American Immigration Law Foundation) is pleased to present the 2009 "Appreciating America's Heritage" Teachers' Resource Guide. Each year, AILF publishes a new edition of this guide because it is important to promote respect, dignity and an appreciation for everyone in this country, regardless of where you were born. By ensuring our children learn that every person deserves respect and that celebrating multiculturalism is at the heart of our American values, the sooner the next generation can end the divisive rhetoric that has divided America for too long.
