

911 Dispatch Activities FOIA Response from DHS Office of Inspector General (OIG) – Highlights

Cover letter dated August 16, 2012: From Katherine Gallo, Assistant Counsel to the Inspector General, to Melissa Crow, American Immigration Council, indicating that 2 pages of records were partially releasable under 5 U.S.C. § 552(b)(6), (b)(7)(A), and (b)(7)(C). An attachment to the letter indicates that the record withheld is a complaint intake document on an open law enforcement investigation.

Pages 1-2: Partially redacted spreadsheet that appears to list civil rights/civil liberties complaints filed in 2009 and 2010. Allegations include use of unnecessary force and firearms discharge.
