

Be part of the creative writing contest that rewards the exploration of America as a nation of immigrants.

Celebrate America inspires educators to bring U.S. Immigration history and lessons into their classrooms and gives fifth graders the opportunity to explore America as a nation of immigrants.

Past winners have documented the experience of immigrants who have left their homelands in search of a more promising future in America, spoken of their immigration experiences or reflected on their ancestors or parents.

Students submit their work to local contests which are sponsored by chapters of the American Immigration Lawyers Association (AILA). Each chapter forwards the local winning entry to the American Immigration Council's national competition.

The national winners and guests go free to a national event sponsored by the American Immigration Council.

The grand prize winner (and two guests) will receive a trip to a national event hosted by the American Immigration Council.
