RE: Freedom of Information Act Request for Records Regarding All Complaints  
Filed Against Immigration Judges

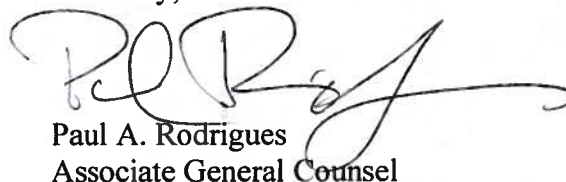

Dear Ms. Murray:

Pursuant to the Court's December 24, 2014 order and our April 2, 2015 meeting, the Executive Office for Immigration Review (EOIR) is releasing a subset of records previously marked as "non-responsive." In order to amicably and reasonably resolve this matter without the Court's involvement, EOIR has released all records previously marked as "non-responsive" that could be construed as within the scope of and responsive to the American Immigration Lawyers Association's Freedom of Information Act (FOIA) request.

EOIR has redacted the records pursuant to 5 U.S.C. § 552(b)(6) to avoid a clearly unwarranted invasion of personal privacy. EOIR has used the same category system for redactions pursuant to 5 U.S.C. § 552(b)(6) that it used for the release of all records subject to this FOIA request, and EOIR has provided you with a Vaughn index describing the categories of information redacted for each record.

If you have any questions, concerning this information, please contact Assistant United States Attorney Jane Lyons.

Sincerely,

Paul A. Rodrigues  
Associate General Counsel
