Date: Aug/05/13

Dear Mr. Neal,

I am writing to you with heavy heart because I have been tortured by your government (at least (b) (6) (b) (6) for more than 61 days.

For me, justice is holy, but for (b) (6) justice is a joke. (b) (6) has broken UN refugee law and US asylum law and violated international human rights law to deny my asylum application, deny my right of "Voluntary departure", deprive of my right of appeal, even fabricate evidence to counter accuse me. (b) (6) inspires torture, that's why small evil network in (b) (6) area, such as, (b) (6) (food provider), (b) (6) (snacking provider), (b) (6) doctors, Immigration judge and informers (some inmates) etc have worked together to torture and persecute me in jail.

Dear David, I am powerless, hopeless and helpless. Please help me and give me a chance to appeal (b) (6) decision outside jail. (b) (6) has trampled America's human rights, hacked America's democracy, limited America's freedom and finally damaged reputation of US government. **Please keep (b) (6) honest.**

I hope (b) (6) is just one of bad apples in your immigration judge and does not represent the whole immigration judges of US.

If you think (b) (6) has done the right thing and cover up for (b) (6) cool!

I do not know you can receive this letter or not. If not, it is another kind of persecution.

Sincerely,

(b) (6)

letter to (b) (6) and the chief counsel of ICE.

Evil under the Sun

(b) (6)

It is difficult to communicate to you but I must write this letter to demand answers as follows:

1. Why you denied my asylum application?

What is Immigration Judge (IJ) about? I do not want to define here. However, I do know IJ is not a policy maker and should follow the UN law and US law. According to *The Principle of Nonfoulement-Article 31* of Refugee Convention and Protocol: "No Contracting State shall expel or return (refouler) a refugee in any manner whatsoever to the frontiers of territories where his (or her) life or freedom would be threatened on account of his (or her) race, religion, nationality, membership of a social group or political opinion"; and *Article 3 of Convention against Torture*: "No State party shall expel, return or extradite a person to another state where there are substantial grounds for believing that he (or she) would be in danger of being subjected to torture"; and anyone with 10% change of future persecution is eligible to apply asylum in US. I have burden of proof of political opinion and particular group, past persecution I have suffered for more than 7 years and a well-founded fear of future persecution. Why you denied my application and wanted to deport me?

Well, you can defend that "Safe-country" as first excuse. US did sign bilateral agreement with Canada on Dec 5 of 2002. In general, Canada is safe, that is why I went to Canada to claim refugee. However, everyone is diffident. My case is the worst human right abuse in Canada history. Furthermore, US consider itself as a safe country, but some Americans have claimed asylum in other countries; second excuse is "Visa waiver program". Since US consider Canada is the only safe country, this is not the good excuse. Again, in general Singapore is safe, but there is no free speech and privacy in Singapore; furthermore, gay love is not legalized in Singapore; in addition, Canada government granted me refugee regardless "Visa waiver program". My case is the conspiracy of government of Singapore, China and Canada.

2. Why have you breached "**Public trust**" to fabricate evidence that "I failed to attend the 'removal and deportation hearing' because I did not receive any paper of such hearing?"

3. Why have you deprived my right of appeal? And why you deceived me?

On Jul/12/13, I received the paper from you dated Jul/11/13 said that "enclosed the forms and instructions of appeal within one month". But I did not receive. By the way, appeal or not, it is my decision.

4. Why have you manipulated my court proceedings?

On June/17/13, you denied my bailout and put me in the removal proceedings. Why you gave me 1st asylum hearing scheduled on June/24/13? Ok, I went to court for the hearing, but why my name was not on the list? Then you scheduled 2nd hearing on Jul/11/13. To save your face, I did well-prepare the hearing, why you did not ask me related questions, such as, what persecution? Who persecuted me? And Why etc? But you asked me irrelevant questions, such as family and medical issues etc. And why my name was not on the list again?

5. Why have you denied my "Voluntary departure" request many times?

Based on asylum law of US, anyone can demand "Voluntary departure" at any stage.

6. Why have you conspired with DHS to detain me unlawfully in jail for more than 49 days?

Article 31 of Refugee Convention and Protocol prohibits countries from imposing penalties on refugees for their illegal entry or presence". I entered here legally.

7. You have tortured me for more than 49 days, still not enough?

8. Who authorized US Postal Service to hold my mail? Did you issue a court order to USPS?

From this point, it is a kind of persecution from US government.

If you do not have courage to answer my questions, it's fine. But you will **fall from grace** sooner or later.

Sincerely,

Cc: The Chief Counsel of ICE

Note: enclosed each copy of receipt of USPS and reply from ICE.
