Mary Beth  
 I think I answered this email but in case I didn't:

I found no misconduct by JJ EOIR(b)(6) in the EOIR(b)(6) case.  
 I closed out the EOIR(b)(6) complaint in EOIR(b)(6) with a call the the R's attorney who filed the complaint advising her of the outcome and a call to EOIR(b)(6) as well.  
 As to the shoving incident between EOIR(b)(6) and EOIR(b)(6) I spoke separately with both of them and advised them to avoid being in the same area with each other.

**Mike,**

***This is your reminder (!) for your return on July 25---***

- (1) to review and close out (if that is the outcome) the EOIR(b)(6) complaint that was rec'd on 5/22 regarding EOIR(b)(6) and,***
- (2) to get me a copy of your documentation on the closeout of the EOIR(b)(6) complaint from EOIR(b)(6)***

***These two matters will need to be resolved on the next report to the director which will go up on Friday Aug 1.***

***Also, what was the outcome of your conversation w/ Judge EOIR(b)(6) on the encounter EOIR(b)(6) had with EOIR(b)(6) Though that is not on the chart, I want to make sure we record our resolution of that situation.***

***Thanks-
